### Discussion / Topic

Item	Discussion / Topic	Follow up / Action
06/10.02	<b>Buggies in the Club Championships –</b> ND (via E-Mail) suggested that the decision not to allow buggies in the club champs required review and suggested that buggies should be permitted if a medical certificate was supplied.  <b>Due to a number of members of the committee being absent this was put over to the next meeting.</b>	Much discussion took place regarding this issue and the decision was made that the current rules were adequate and should remain unchanged, however it was highlighted that future consideration may be sought for the ruling to cover disabled entrants.  Item Closed
06/10.02	<b>Abolition of the 'pay-in-advance' feature of entry to major comps –</b> ND (via E-Mail) questioned the logic behind 'pay-in-advance' for major competitions and suggested that this should be scrapped, as it caused more trouble for the DO's than pay on the day.  <b>Due to a number of members of the committee being absent this was put over to the next meeting.</b>	Much discussion took place regarding this issue and the decision was made that the current rules were adequate and should remain unchanged. It was agreed that MC would add a "Flash message" to the computer to high light the requirement to enter into the book/pay as well as the screen.  Item Closed

### Items for discussion with Crown Golf

### Any Other Business

SK – Pointed out that he felt the Marshall employed at weekends was not as noticeable as he could be and was virtually a waste of time and money.

MC – Ask when Winter KO signs would be put up.

MC – There is no notification as yet to the change in Club rules as to the requirement to have one of the three qualifying cards to be signed by Committee member or long standing member of the club.

SM – Suggest that would it be a possibility that the teaching academy take prize vouchers s the way the Pro Shop does currently.
