5. Matters Arising

Item	Topic/Discussion	Action
3.07.1.2	<p>Supplementary Scores. A new system has been introduced by the EGU which will allow players to submit “supplementary scores” to be used for handicap assessment. The process to be followed is attached and if unclear members should contact either the head of compscum or a member of the handicap committee.</p> <p>It was felt that a notice should be put on the website - latest news. Awaiting clarification from ND before posting notice to the website. All agreed that the notice, and the CONGU handicap summary information sheet, should be posted to the website. Awaiting the update of the handicap section notes.</p>	MW
07.08.2	<p>Mens Winter Knock Outs need to be advertised immediately. BM to forward notice to MW for inclusion on the web. BM to write up the Competitions Book for all Winter Kos - Men’s, Ladies’ and Mixed. MW to finalise the draw as soon as possible after closing date.</p>	MW

07.08.02	ND asked for guidance as to when the grass practice area can be used by members. <i>Craig Earnshaw has advised that it will be available during the week before main competitions.</i>	
07.08.4	<p><u>Club Championships.</u></p> <p>A). ND asked if the start time for the Club Championship could be 08:00, rather than 07:30, on Day 1, to allow the low handicappers more time to practice. BM advised this would cause problems with a buffer zone but agreed to take it to Main Committee. <i>Main Committee thought this was not practical (professionals start comps at 06:30).</i></p> <p>ND requested that thought be given to changing the Club Championship play off from sudden death to a 3 hole play off and then sudden death if necessary. BM agreed to take this forward and report back. <i>Discussion took place among those present but it was felt prudent to hold this matter over until the next meeting when fuller attendance was expected.</i></p>	BM
