Item	Topic/Discussion	Action
	<p>Richard gave an update on current situation with membership still healthy awaiting the results of update of the April renewals.</p> <p>All items in place for AGM and LM. Only a couple of items to be discussed and these will be dealt with by Richard as they relate to Crown Golf. 1. Open play and societies, number of bins on course and dog walkers.</p> <p>The general situation with the club is very positive with not many complaints at present but all the staff are working hard to maintain a high standard at all times. The staff v Committee had been well received by the staff and this helped with getting to know each other better.</p> <p>All items for the Captain's drive in were in place and also the Lady Captain's drive in. All 27 holes being used on the 21st and Craig will arrange a fire cracker to start the shot gun.</p> <p>Report on the three Crown Golf Clubs being sold was explained, all three were further away from this locality and had not been performing well and there is a need to consolidate the work in a similar locality. Oak Park is not under any threat as it is performing well. The heating in the gents toilets has now been installed and should improve that area.</p> <p>Craig reported that the course is now beginning to show growth again after the frost, snow and rain it has stood up well. Bunker on 8th almost complete and mat on the 11th is now almost in place. Course walk arranged for 3rd April.</p> <p>Next Meeting Monday 6th April 3:00pm</p>
