

Sheila Purvis bought spring bulbs for planting on the course. Bulbs may be bought for £1 each (for the Charity) and planted in designated areas over the next few weeks. The bulbs are in a large sack in the ladies locker room. AP to send e-mail to ladies to remind them.

The Recipe Book was launched at the Captains' Charity day and sold again at the Autumn Meeting. Sales to date are in excess of 60. Many thanks to Margaret Church for her excellent work on this project.

Proposed changes of date for 2 weekend ladies' comps:

Ladies Medal from Saturday 4th Oct to Sunday 5th Oct.

Stableford from Saturday 18th Oct to Saturday 25th Oct.

These changes have been implemented with the approval of the majority of Saturday ladies. However, it was regretted that not all Saturday ladies were present at the discussions prior to these changes and opposition to the changes from some of the Saturday ladies has been noted. There will be no changes to published diary dates in future unless it is with the unanimous consent of all the Saturday ladies and only in exceptional circumstances.

It would be helpful if one of the Saturday ladies would undertake to organise roll-ups on weekends where there is no organised competition. AP to ask the Saturday ladies by e-mail for a volunteer. Alison Lewis will remain DO for all the weekend ladies' competitions in the diary.

Victoria Round Robin was won by Jean Deverill.
Jenny Dal Bello was runner up.

Pat A Ladies Away Day is to be held at the Army Golf Club in Aldershot on Thursday 23rd October. Price £35 to include coffee & bacon rolls on arrival, 18 holes golf, lunch and prizes.

Duty Officers See the attached list.

Meeting closed at 20.45.

Date of next meeting : Wednesday 29th October at 19.30.
