## HOW COMPETITIONS WILL RUN

### ENTRY:

Entry sheets will be posted as usual on the Oak Park competitions noticeboard 4 weeks prior to the competition, but we will investigate other options to make competition sign up easier.

The draw will be posted on the competitions noticeboard and website as usual 2 weeks before the competition.

Entry fees will remain at £3/£6 depending on the competition but will be detailed on the entry sheet.

### COMPETITION FORMAT:

Competitions will be run within certain time slots (typically 7.30 – 11.00am).

Competitions will NOT be open all day.

A duty officer will be present at Sherfield Oaks. On arrival you should report to the Duty Officer and pay your entry fee.

All competitions (with the exception of majors) will be pay on the day only.

Weekend play will be in 4 balls. (Pace of play will be reviewed after first 2 competitions to assess if 4 balls are realistic)

### SCORECARDS/RESULTS

A laptop will be used for score entry utilising same system as at Oak Park.

You will need to enter your score and card as normal. A Duty Officer will be present to assist in use of laptop etc...

Results will be published on the Oak Park noticeboard and website as usual but may take a day or 2 longer than you are currently used to.

### ORDER OF MERIT

Order of merit points will be awarded in the normal way for all competitions held on a qualifying length course either at Oak Park or Sherfield Oaks.
